

The foremost club devoted to the enjoyment of motor boating in Scotland.

[www.rsmyc.org.uk](http://www.rsmyc.org.uk)

We are here solely to help our members enjoy their leisure motor yachting activities.

We are Scotlands only Yacht Club devoted to Motor Boating.

The Royal warrant was granted to the Club in 1920 in recognition of the services provided by members and their boats during the war.

We hold regular musters where members can meet afloat and socialise.

Friendly help always available from other members.
